HEALTHCARE AUDITS

YOUR HEALTHCARE RECOVERY AUDIT SPECIALISTS

EXPERTS IN THE RECOVERY OF LOST PROFITS IN THE HEALTHCARE SUPPLY CHAIN

Decades of Hospital and Healthcare Recovery Audit Solutions.

Our team at SAS does not limit our audit to the traditional Accounts Payable Recovery areas such as Duplicate Payments, Incorrect Vendor Payments, Open Credits and Missed Discounts. Our process is different. We expand our audits well beyond these typical areas to maximize the return of lost profits.

OUR EXTENSIVE EXPERIENCE INCLUDES:

- Audit of GPO purchases
- Broad Rx experience
- Pricing overpayment & trend analysis
- Audit of complex supplier contracts in both direct and indirect procurement

ADDITIONAL RECOVERY AUDIT CATEGORIES INCLUDE:

MEDICAL SUPPLIES & EQUIPMENT

- Most favored pricing (GPO vs. local supplier)
- Unrealized allowances & rebates
- Consigned inventory pricing
- Product returns
- Returns to original pricing comparison
- Inappropriate handling charges
- Freight & delivery overcharges

PHARMACEUTICAL

- Formulary rebates
- Pricing (UOM, Generic, OTC)
- Dosing / package size
- Performance guarantee
- 340 B Pricing

STRATEGIC AUDIT SOLUTIONS

RECOVERING HIDDEN PROFITS EVERY DAY

Our SAS Management team has decades of recovery audit experience and are recognized leaders in the recovery audit profession. Our team of healthcare audit professionals has an extensive background in performing recovery audits for hospital and healthcare systems.

We at SAS recognize that a complete Healthcare Recovery Audit goes well beyond revenue recovery. For each of our audits, SAS delivers a comprehensive Engagement Management Report which will provide your company with a detailed overview of recoveries complete with areas reviewed, root cause analysis and process improvement recommendations.

I would like to thank the team at Strategic Audit Solutions for your expert and professional service in performing a comprehensive recovery audit for our organization. SAS operated in an unobtrusive manner to perform a thorough audit of both our direct and indirect supplier spend. The audit and reporting not only allowed us to recover a significant amount of lost revenue, but also provided us with the knowledge base to improve our supplier strategies. Thanks again for partnering with us through this extremely successful project.
